

CIVIL MACHINE TICKETS SHORT COURSE

FRONT END LOADER

EXCAVATOR

SKID STEER

RIIMPO321F - Conduct civil construction wheeled front end loader operations

RIIMPO318F - Conduct civil construction skid steer loader operations

RIIMPO320F - Conduct civil construction excavator operations

Expand your calibre in Civil Construction with our flexible machine ticket training. With intensive knowledge delivered by well-renowned Registered Training Organisation, Tracmin students receive training on up-to-date machinery on a simulated training site.

Students will be provided with pre-reading prior to the commencement of scheduled classes. It is expected that students will complete this reading BEFORE attending on Day 1.

Day 1 will include theory and written assessments. Day 2-4 will include a recap of theoretical information from Day 1 and undertake practical hands-on machine training.

\$595 EACH	\$1600 SAVE \$185	\$1100 SAVE \$90
