COURSE INFORMATION

This qualification reflects the role of individuals working in an operational role in civil construction, who undertake a prescribed range of tasks using limited practical skills and fundamental knowledge, in a defined context working under supervision.

This course is delivered over a minimum period of 16 weeks.

Upon completion of this qualification, students are eligible to apply for roles such as:

- Operational Role
- General Civil Construction

This qualification will be delivered at our Kenwick and Mandurah locations.

"If you are looking to learn or work in the industry definitely look through Tracmin as they are flexible and very supportive. They will answer any questions you have and help guide you into the industry. Wouldn't recommend anyone else!"
